

Area 2C/2D Select Committee:

- Area 2C Director: Linda Wilmoth nlw4jww@pacbell.net
- Area 2C Select Coordinator: Tom Corum ref-tom@sbcglobal.net
- Area 2D Director: Alan Matré matre@pacbell.net
- Area 2D Select Coordinator: Kevin Klein ayso@kmklein.com

Composition of Select Teams:

- Select teams shall be formed from players who were registered with AYSO and assigned to a fall team on/before October 1 and who participated with that fall season team in at least 50% the regular AYSO fall season games. Select players shall only be allowed to participate in the select season in the same division they participated in during the Fall season. Select teams will compete as follows:
 - Under-10 teams will play 7v7 with a maximum of 10 players on a roster;
 - Under-12 teams will play 9v9 with a maximum of 12 players on a roster;
 - Under-14 teams will play 11v11 with a maximum of 15 players on a roster.;
 - There will be one division that includes Under-19/Under-16 and Under-16 teams. Under-19/Under-16 and Under-16 teams will play 11v11 with a maximum of 18 players on a roster. Under-19/Under-16 rosters shall not include more than nine Under-19 players (no limit to number of Under-19 players on the field). Any Region participating in this division *must* provide an opportunity for both Under-19 and Under-16 player to participate in the select season; and shall not field an Under-16 team without fielding an Under-19/Under-16 team as well.
- Each player must have a picture Player ID card approved by the Area 2C/2D Select Committee. Player ID cards and medical release forms must be available at all practices and games. The standard AYSO Player ID card, signed by the Regional Commissioner, shall be used.
- A *credential check* will be completed by the Area Select Coordinator prior to the first game of the select season. Select coaches must submit three copies of the eAYSO roster, signed by their Regional Commissioner, along with signed medical release forms and laminated Player ID cards for each player on that roster.
- Any select roster change must be submitted to and approved by the Area Select Coordinator. Changes will normally be approved only to replace a player who is injured and not expected to return for the remainder of the season or who moves out of a Region. No additions to a select team roster will be allowed after January 31.

Select Season Rules:

- All games shall be played by FIFA and AYSO National rules unless otherwise altered here. If there should be any conflict between Region and Area 2C/2D Select Season rules, Area 2C/2D Select Season rules will prevail. Referees from each Region should be supplied with a copy of the Area 2C/2D Select Season rules.
- Each player shall play a minimum of two quarters per game; however, coaches are strongly encouraged to maximize playing time for each player. Some Regions may require their coaches to play their players three quarters.
- Substitutions in Under-10 through Under-14, inclusive, shall only occur at quarter and halftime breaks or to substitute for an injured player.
- Substitutions in Under-19/Under-16 games may occur with the referee's permission as follows; however, referees shall not unreasonably deny a coach's request for any allowable substitution:
 - By either team:
 - when an injured player is substituted;
 - at the beginning of the second half
 - at the beginning of any overtime period;
 - on any goal kick;
 - after a goal has been scored;
 - By the team in possession of the ball:
 - on a throw in;
 - By the team not in possession of the ball, if the team in possession of the ball is substituting:
 - on a throw in;
 - Coaches may substitute a cautioned player at their discretion and only at the time the player is cautioned.
- Referees are required to file a report for games with any send-offs and/or with multiple cautions by any team to the Area Referee Administrator as soon as possible after the conclusion of the game.
- Slide tackling and heading of the ball in the Under-10 division must be done in a safe manner. Referees can use their discretion to call "dangerous play" if these actions are improperly displayed. Coaches should use caution when instructing players related to these soccer moves.
- The host Region is solely responsible for deciding if any field is in playable condition.

- Uniforms shall at all times conform to AYSO National guidelines which display the AYSO logo. Player names shall not be displayed on any external portion of the uniform. If there is a conflict in uniform colors, the home team shall either change uniforms or wear pinafores.
- Warm clothing may be worn under the uniform jersey. Long pants (anything that extends below the knee) shall not be worn by any player other than the goalkeeper. Clothing worn under the uniform should be as close to the uniform color as possible. No loose items will be allowed, such as the hood of a hooded sweater. The referee always has the final word for safety reasons.
- Casts, splints or body braces made of a hard substance are not allowed in any practice or game, even if wrapped with softer materials. Leg braces must not have any exposed hard surfaces and must be approved by the game referee. If a doctor or parent medical release form is required for any player with recovering injuries, the coach shall give a copy of the release form to the referee before the game.
- Non-medical alert jewelry, including friendship bracelets, must be removed before participating in practice or a game. Medical alert bracelets should be taped to the wrist, while medical alert necklaces should be taped to the body, with the medical alert message visible. Taping over of any other jewelry is unacceptable.
- All select teams shall use individual standard AYSO game cards. Players shall be listed on the game card in numerical order. The Region Select Coordinator shall collect game cards for all games played in their home region and report all scores to their Area Select Coordinator no later than the Sunday evening following any select season game. This is particularly important when any yellow or red card has been reported by the referee.
- The Area 2C/2D select season commences when select teams are formed and ends at the conclusion of the Area 2C/2D select season tournament.

Sportsmanship:

- Good sportsmanship is one of the basic principles of AYSO. The Area Director shall review any problems with sportsmanship of any player, parent or team. Coaches are responsible for the behavior of the parents on their team.
- Player and coach send-offs shall be reported to the Area Referee Administrator as soon as possible after the conclusion of the game. Players and coaches who receive a red card may be issued a multi-game suspension. The number of games a player or coach shall be suspended will be decided by the Area Director; and that decision will be final.

- Any player or coach who has accumulated three red cards during the select season shall not be allowed to participate in the remainder of the select season, including the select season tournament.

Select Season Tournament:

- The select season culminates with the select season tournament. All teams that participate in the select season are eligible to participate in this tournament.
- A portion of the tournament will be hosted by Area 2C and a portion will be hosted by Area 2D. All select teams are expected to supply volunteers to help with the tournament in their area.
- Any Region hosting a portion of the select tournament must receive approval from the Area Select Committee prior to incurring any costs that may be reimbursed from these funds. Failure to obtain approval prior to incurring any cost will result in those costs being designated as local (Region) costs and will not be reimbursed by Area.

Miscellaneous Information:

- The Area 2C/2D Coach Administrators and Referee Administrators have prepared an Information Sheet for select coaches and referees participating in the select program. These Information Sheets are included in this packet.
- Important telephone numbers:
 - (925) 595-0437 Linda Wilmoth, Area 2C Director
 - (925) 595-0657 Tom Corum, Area 2C Select Coordinator
 - (925) 330-6011 John Hart, Area 2C Coach Administrator
 - (925) 765-4636 John Maltester, Area 2C Referee Administrator
 - (916) 296-6845 Alan Matré, Area 2D Director
 - (530) 574-3044 Kevin Klein, Area 2D Select Coordinator
 - (530) 304-3251 JP Marié, Area 2D Coach Administrator
 - (916) 769-2936 Joe Hopelian, Area 2D Referee Administrator
